Experience

03. 2016

-

Present

Student Mentor

Full Sail University

I was selected from my class to be part of an exclusive writing group which provides student mentor services for those who struggle with storytelling elements and grammar.

Present

Co-Writer and 1st Assistant Director

What the Heart Wants

A script that I co-wrote is being turned into a short film, titled "What the Heart Wants". In addition to being co-writer, I am the 1st Assistant Director.

Art Production Assistant and Script Editor

Polaroids

02. 2015

I performed various odd-jobs on set of the short film "Polaroids", directed and written by Rebekah Burke. I was given the credit title of Art PA, as most of my work consisted of working artistically on the set. I also edited the script and had input into the plotline and characters. "Polaroids" screened at the Orlando Film Festival and Gwinnett Center International Film Festival.
